

## For the Nursing and Dental Hygiene Programs

Visit <https://www.atictestng.com/teas-prep>. Order the Official ATI TEAS Study Guide.

1. Review the general content of the book including the test ng information.
2. Make a study plan. Decide exactly what you will do each day and write it in on a calendar. It's a good idea to schedule a few "days of " as well.
3. To learn each skill
