BRAINSTORMING STAGE

A live session will give you the best results

Connect with a tutor to

- Discuss the ideas that will form the content of your essay
- Work through questions to gain a better understanding of your subject
- Research credible sources and gather information

As you work with your tutor, sharing all information that you have on your assignment will help ensure a productive tutoring session.

ORGANIZING/OUTLINE WRITING STAGE

We recommend a live session but you can also choose to drop off

Your tutor will help you

- Organize your thoughts and ideas
- Develop a clear plan for your essay

Helpful Hints

A live tutoring session will work best if you have questions and concerns about organizing your essay. If you need feedback on a draft or outline, you may choose a live session or to drop off your essay.

If you **drop off an outline**, make sure to indicate whether you are turning in the outline as an assignment or you would simply like feedback on your organizational plan before you start drafting your essay.

DRAFTING STAGE

Choose a live session OR a drop off session

Your tutor will help you

- Compose a strong thesis statement, unified paragraphs and a sound conclusion
- Guide your revisions as you work on your next draft or final version

Helpful Hint

If you choose to **drop off your essay**, make sure you fill out the pre-session form with the assignment details so your tutor knows how to give you the best advice.
