 EDU 240  
 Teaching English Language Learners  
 3-3-0

**COURSE DESCRIPTION:**

*Teaching English Language Learners (EDU 240)* enables students to better meet the challenge of educating English Language Learners in the inclusive classroom. This course will emphasize differentiating instruction for English Language Learners, strategies and materials needed to educate English Language Learners, second language acquisition, cultural sensitivity, challenges for English Language Learners in content area classes, and Pennsylvania Language Proficiency Standards for English Learners. This course also addresses PA teaching certification guidelines, as specified in Chapter 49-2.
